Notes/Updates

General:

- ~~MSU delivery today.~~ Daniel says <50 tubes at MSU, so no delivery.
- 200 tubes delivered last week.
- Leak Update:
 - Sent back 95 “leaky” tubes to MSU last thursday.
 - All 200 from most recent shipment leak tested, 18 fail (9%).

Mod 33

- All 8 layers sent down yesterday.

Mod 34

- 1 layer ready now.
- 286 tubes left after layer 1 → need 178 more tubes for Mod 34.
